Research, Monitoring and Evaluation: We may undertake research questionnaires, monitoring and evaluation exercises involving both children and adults to measure the effectiveness of our work. Involvement in these activities will be purely voluntary and participants can pull out of the research at any time.

Data Protection

We take your privacy seriously and ensure that your information is handled safely and securely and in line with current data protection regulations. Copies of our full privacy notice are available on the website or can be requested from the Access to Sports office. As part of our work we are required to hold personal information on participants. We do this to ensure that participants are safe and protected whilst at Access to Sports and to ensure the effectiveness of our charitable work.

In instances data will be shared with our key funders and partners (e.g. youth and leisure departments in Islington, Haringey and Hackney and other funders). These partners are equally required to comply with the data protection regulations.

I agree to the participant attending the project and to the above statements regarding photographs & video, staying in touch, medical consent and data protection.

I confirm that the details provided are accurate and agree to inform the Access to Sports Project of any changes in the participant's personal details, including changes to parent/guardian due to a court order, significant injuries, medical conditions or other circumstances between now and for the continuation of time that the participant attends the project.
